September 17, 2022

You're now registered with the Film Challenge. Your entry is considered "incomplete" since it has no video file associated with it. On 6/1 (NO BORDERS category) or 8/1 (ON LOCATION category), you'll be sent a link to the production package containing the prompts necessary to produce your film. When your film is completed you'll return to your project page, amend an appropriate title, fill in the rest of the information about your film and upload the file on 6/21 (NO BORDERS) or 8/21 (ON LOCATION) by 6PM EST. Your project will then be ready for judging. That's it!
